SUPERDRIVE EMPLOYEE KARTING CHALLENGE

HAVE YOU GOT THE FASTEST WORKFORCE IN THE AREA?

SUPERDRIVE'S NEW EMPLOYEE KARTING CHALLENGE HAS BEEN DESIGNED TO GIVE LOCAL BUSINESSES A CHANCE TO GO HEAD TO HEAD IN COMPETITION, TEAM BUILDING, ENCOURAGE NETWORKING OPPORTUNITIES AND COMPETE FOR A FABULOUS TEAM PRIZE WORTH £1200!

CONCEPT

Scheduled to take place over five week nights, the contest will encompass four qualifying nights, where team members will score points in the semi finals and finals, building towards the "Grande Finale" night. This night will culminate with a prize-giving where individual awards and the Employee Karting Challenge Trophy will be awarded to the winning team. Light refreshments will also be provided on each night for the competitors, and a local media package will also be in action.

VALUE FOR MONEY

At a cost of just £35 per driver per evening, a full Grand Prix kart race will be provided including practice, qualifying heats and finals, light refreshments and an updated points table published after each event on the Superdrive website. Different drivers can be nominated for different nights and business branding opportunities are also available. Each team on each night will consist of four drivers, and the first ten teams entered will be guaranteed a place in the challenge.

POINTS MAKE PRIZES!

The winning team will receive a Superdrive Rally event laid on for 8 people, worth £1200, or the equivalent in Superdrive vouchers to spend on our rallying, off-road or karting activities. In addition a large trophy will be awarded to proudly display in the workplace, and trophies will be awarded for the top three individuals.
